

To the Members of the California Assembly:

I am returning Assembly Bill 2810 without my signature.

This bill requires the California Department of Forestry and Fire Protection (CDF) to include in its enforcement report information on the costs of civil actions to recover administrative costs or impose a lien on real property and the amount of penalties imposed but not yet collected or adjusted.

The additional information required by this bill is already collected by CDF and available to the public, including the Legislature, upon request. Therefore, it is not necessary to increase staff workload to mandate additional information to be included in a report to the Legislature.

For this reason I am unable to support this measure.

Sincerely,

Arnold Schwarzenegger
